Subject: Please inform Gordon PAC of proposed usage of Yellow School House

Dear Trustee Lombardi, Trustee Noble, and Superintendent Robinson

Since our E-mail of yesterday, we have heard that the proposed usage for the Gordon outbuilding is a private school for grades K-2 or K-3. The undersigned PAC executives believe that is not a use consistent with the interests of our children on such a small site, and require detailed information on the proposal.

We request a private meeting as soon as possible with our trustee, Penny Noble, and such VSB staff as necessary to answer detailed questions on the proposal.

Yours sincerely

Promita Abraham, PAC co-chair

Victoria Stephens, PAC co-chair

Frank Goodman, PAC secretary
